Mapped, edited, and published by the Geological Survey

Control by USGS and USC&GS

Culture and drainage in part compiled from aerial photographs taken 1950. Topography by planetable surveys 1956

Polyconic projection. 1927 North American datum
10,000-foot grid based on Tennessee coordinate system
1,000-meter Universal Transverse Mercator grid ticks, zone 16, shown in blue

Red tint indicates area in which only landmark buildings are shown
Purple tint indicates extension of urban areas
Revision shown in purple compiled in cooperation with State of Tennessee agencies from aerial photographs taken 1975. This information not field checked
