Topography by photogrammetric methods from aerial photographs taken 1967. Field checked 1969.

Polyconic projection. 10,000-foot grid ticks based on Virginia coordinate system, south and north zones. 1000-meter Universal Transverse Mercator grid ticks, zone 17, shown in blue. 1927 North American Datum.

To place on the predicted North American Datum 1983 move the projection lines 9 meters south and 20 meters west as shown by dashed corner ticks.

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked.

There may be private inholdings within the boundaries of the National or State reservations shown on this map.
