Produced by the United States Geological Survey in cooperation with Commonwealth of Virginia agencies and North Carolina Department of Natural Resources and Community Development. Compiled from USGS 1:250 000-scale topographic maps dated 1964-1979. Planimetry revised from aerial photographs taken 1978 and other source data. Revised information not field checked. Map edited 1984.

Projection and 10 000-meter grid, zone 17; Universal Transverse Mercator. 25 000-foot grid ticks based on Virginia coordinate system, south zone, and North Carolina coordinate system 1927 North American Datum. To place on the predicted North American Datum 1983 move the projection lines 11 meters south and 21 meters west. There may be private inholdings within the boundaries of the National or State reservations shown on this map.
