Topography by photogrammetric methods from aerial photographs taken 1969. Field checked 1969

Polyconic projection. 10,000-foot grid ticks based on Pennsylvania coordinate system, north zone, and New York coordinate system, west zone. 1000-meter Universal Transverse Mercator grid ticks, zone 17, shown in blue. 1927 North American Datum. To place on the predicted North American Datum 1983 move the projection lines 2 meters south and 21 meters west as shown by dashed corner ticks. Red tint indicates areas in which only landmark buildings are shown

There may be private inholdings within the boundaries of the National or State reservations shown on this map

Map photospected 1983

No major culture or drainage changes observed
