

Mapped, edited, and published by the Geological Survey
Control by USGS, USCGS, and Tennessee Highway Department
Topography by photogrammetric methods from aerial
photographs taken 1963. Field checked 1968
Polyconic projection. 1927 North American datum
10,000-foot grid based on Tennessee coordinate system
1000-meter Universal Transverse Mercator grid ticks,
zone 16, shown in blue

Fine red dashed lines indicate selected fence and field lines where
generally visible on aerial photographs. This information is unchecked

Revisions shown in purple compiled from aerial photographs
taken 1975 and other source data. This information
not field checked. Map edited 1979

Boundary lines shown in purple compiled from latest
information available from the controlling authority
