

Mapped, edited, and published by the Geological Survey  
Control by USGS, NOS/NOAA, and U. S. Forest Service  
Topography by photogrammetric methods from aerial  
photographs taken 1964-65. Field checked 1974  
Projection and 10,000-foot grid ticks: Colorado  
coordinate system, central zone (Lambert conformal conic)  
1000-meter Universal Transverse Mercator grid ticks,  
zone 13, shown in blue. 1927 North American Datum  
Fine red dashed lines indicate selected fence lines  
Where omitted, land lines have not been established or  
are not shown because of insufficient data  
To place on the predicted North American Datum 1983  
move the projection lines 6 meters north and  
53 meters east as shown by dashed corner ticks

ROAD CLASSIFICATION

|                                    |  |
|------------------------------------|--|
| Primary highway,<br>hard surface   | Light-duty road, hard or<br>improved surface |
| Secondary highway,<br>hard surface | Unimproved road                              |
| Interstate Route                   | U. S. Route                                  |
|                                    | State Route                                  |
