

Produced by the United States Geological Survey  
Topography compiled 1945. Planimetry derived from imagery taken 1988 and other sources. Photomaps using imagery dated 1999; no major culture or drainage changes observed. PLSS and survey control current as of 1955. Boundaries, other than corporate, verified 2000  
North American Datum of 1927 (NAD 27)  
Projection: Georgia coordinate system, west zone (transverse Mercator)  
10 000-foot ticks: Georgia coordinate system, west zone and Alabama coordinate system, east zone  
1000-meter Universal Transverse Mercator grid, zone 16  
North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software  
There may be private inholdings within the boundaries of the National or State reservations shown on this map  
Information shown in purple may not meet USGS content standards and may conflict with previously mapped contours
