

Produced by the United States Geological Survey in cooperation with the North Carolina Department of Environment and Natural Resources. Topography compiled 1975 and 1980. Planimetry derived from imagery taken 1977 and other sources. Photorevised using imagery dated 1999, no major culture or drainage changes observed. Survey control current as of 1977. Boundaries verified 2002. Selected hydrographic data compiled from NOS charts 12205 and 12206 (1951). This information is not intended for navigational purposes. North American Datum of 1927 (NAD 27). Projection and 10 000-foot ticks: North Carolina coordinate system (Lambert conformal conic). 1000-meter Universal Transverse Mercator grid, zone 18. North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software.
