

Mapped, edited, and published by the Geological Survey  
Control by USGS and NOS/NOAA  
Topography by photogrammetric methods from aerial  
photographs taken 1962. Field checked 1963  
Polycyclic projection. 1927 North American Datum  
10,000-foot grid based on New Mexico coordinate system, west zone  
1000-meter Universal Transverse Mercator grid ticks,  
zone 12, shown in blue  
Where omitted, land lines have not been established  
Revisions shown in purple compiled from aerial photographs  
taken 1978 and other source data. This information not  
field checked. Map edited 1979  
To place on the predicted North American Datum 1983  
move the projection lines 1 meter north and  
57 meters east as shown by dashed corner ticks
