

Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Culture and drainage in part compiled from aerial photographs taken 1954. Topography by planetable surveys 1955

Polycyclic projection. 10,000-foot grid ticks based on Delaware and Maryland coordinate systems. 1000-meter Universal Transverse Mercator grid, zone 18. 1927 North American Datum

To place on the predicted North American Datum 1983 move the projection lines 8 meters south and 30 meters west as shown by dashed corner ticks

There may be private inholdings within the boundaries of the National or State reservations shown on this map

Revisions shown in purple and woodland compiled from aerial photographs taken 1982 and other sources. This information not field checked. Map edited 1983

| ROAD CLASSIFICATION             |   |
|---------------------------------|---|
| Primary highway, hard surface   | Light-duty road, hard or improved surface |
| Secondary highway, hard surface | Unimproved road                           |
| ○ Interstate Route              | □ U.S. Route                              |
| ○ State Route                   |   |
