

Produced by the United States Geological Survey  
Topography compiled 1972. Planimetry derived from imagery taken 1989 and other sources. Photomaps using imagery taken 1997; no major culture or drainage changes observed. Public Land Survey System and survey control current as of 1990. Boundaries verified 2002.  
Information shown in purple may not meet USGS content standards and may conflict with previously mapped contours.  
North American Datum of 1927 (NAD 27). Projection and 1000-meter grid: Universal Transverse Mercator, zone 10 10 000-foot ticks: Washington Coordinate System of 1927 (north zone).  
North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software.  
There may be private inholdings within the boundaries of the National or State reservations shown on this map.
