

Produced by the United States Geological Survey  
Topography compiled 1954. Planimetry derived from imagery taken 1990 and other sources. Photoinspected using imagery taken 1997; no major culture or drainage changes observed. Public Land Survey System and survey control current as of 1992. Boundaries, other than corporate, verified 2003. Contours and land elevations have not been revised and may conflict with other content.  
North American Datum of 1927 (NAD 27). Projection and 1000-meter grid: Universal Transverse Mercator, zone 10. 10 000-foot ticks: Washington Coordinate System of 1927 (south zone).  
North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software.
