Produced by the United States Geological Survey
in cooperation with Arkansas Geological Commission

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1958. Field checked 1962-63. Revised from aerial photographs taken 1989. Field checked 1992. Map edited 1993

Projection and 10,000-foot grid ticks: Arkansas coordinate system, north zone (Lambert conformal conic)
1000-meter Universal Transverse Mercator grid ticks, zone 15, shown in blue
1927 North American Datum (NAD 27)

North American Datum of 1983 (NAD 83) is shown by dashed corner ticks
The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are given in USGS Bulletin 1875

There may be private inholdings within the boundaries of the National or State reservations shown on this map

Red tint indicates areas in which only landmark buildings are shown

Unlabeled wells are gas wells

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked
