

Maped, edited, and published by the Geological Survey in cooperation with the Wisconsin Division of Highways and Wisconsin Geological and Natural History Survey Control by USGS by NGS/NOAA. Topography by photogrammetric methods from aerial photographs taken 1954 and 1962. Revised from aerial photographs taken 1979. Field checked 1980. Map edited 1982. Projection: Michigan coordinate system, north zone (Lambert conformal conic). 10,000-foot grid ticks based on Michigan coordinate system, north zone and Wisconsin coordinate system, central zone 1000-meter Universal Transverse Mercator grid, zone 16 1927 North American Datum. To place on the predicted North American Datum 1983 move the projection lines 6 meters north and 7 meters east as shown by dashed corner ticks. There may be private inholdings within the boundaries of the National or State reservations shown on this map. Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is un-checked.
