

Mapped, edited, and published by the Geological Survey

Control by USGS, USC&GS, and USCE

Topography by photogrammetric methods from aerial photographs taken 1955-56 and planimetric surveys 1964

Polyconic projection; 1927 North American datum

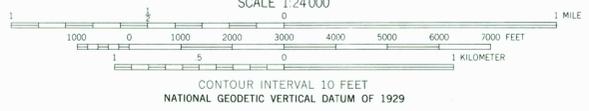

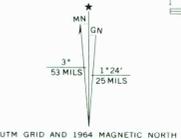

10,000-foot grid based on Michigan coordinate system, north zone

1000-meter Universal Transverse Mercator grid ticks, zone 16, shown in blue

Fine red dashed lines indicate select fence and field lines where generally visible on aerial photographs

This information is unchecked

To place on the predicted North American Datum 1983 move the projection lines 4 meters north and 5 meters east as shown by dashed corner ticks
