

Mapped, edited, and published by the Geological Survey  
Control by USGS and USC&GS  
Topography by photogrammetric methods from aerial photographs taken 1950, and by planetable surveys 1922-23. Field checked 1952  
Revision and orthophotomosaic from aerial photographs taken 1971  
Field checked 1972  
Underwater contours by photogrammetric methods from aerial photographs taken 1966, 1969, and 1971-72. Soundings compiled from chart furnished by U. S. Naval Reserve  
Projection: Utah coordinate system, central zone (Lambert conformal conic)  
10,000-foot grid ticks based on Utah coordinate system, central and north zones  
1000-meter Universal Transverse Mercator grid ticks, zone 12, shown in blue. 1927 North American datum

ROAD CLASSIFICATION

|                                 |   |
|---------------------------------|---|
| Primary highway, hard surface   | Light duty road, hard or improved surface |
| Secondary highway, hard surface | Unimproved road                           |
| Interstate Route                | U. S. Route                               |
|                                 | State Route                               |
