PIPELINE

Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1974. Field checked 1976. Map edited 1979

Projection: Oklahoma coordinate system, north zone (Lambert conformal conic)
10,000-foot grid ticks based on Oklahoma coordinate system, north and south zones
1000-meter Universal Transverse Mercator grid, zone 14
1927 North American datum
To place on the predicted North American Datum 1983, move the projection lines 3 meters south and 31 meters east as shown by dashed corner ticks

There may be private inholdings within the boundaries of the National or State reservations shown on this map
