Mapped by the Army Map Service
Published for civil use by the Geological Survey

Control by USGS, NOS/NOAA, and USCE

Topography from aerial photographs by multiplex methods
Aerial photographs taken 1947. Field checked 1948

Polyconic projection. 1927 North American Datum
10,000-foot grid based on California coordinate system, zone 5
1000-meter Universal Transverse Mercator grid zone 10
To place on the predicted North American Datum 1983 move the projection lines 7 meters north and 89 meters east as shown by dashed corner ticks

Revisions shown in purple and woodland compiled by the Geological Survey from aerial photographs taken 1976 and other source data
This information not field checked. Map edited 1980
