Topography from aerial photographs by Kersh plotter methods
Aerial photographs taken 1952. Field check 1954

Polyconic projection. 1927 North American datum
10,000-foot grid based on California coordinate system, zone 2
1000-meter Universal Transverse Mercator grid ticks,
zone 10, shown in blue

To place on the predicted North American Datum 1983
move the projection lines 14 meters north and
91 meters east as shown by dashed corner ticks

Dashed land lines indicate approximate locations

Revision shown in purple and woodland compiled by the County of
Sacramento from aerial photographs taken 1978 and other source data
This information not field checked. Map edited 1980
