Produced by the United States Geological Survey 1979
Revision within and adjacent to National Forest System lands by USDA Forest Service 1996

Compiled from aerial photographs taken 1953. Revised from aerial photographs taken 1994. Contours have not been revised

North American Datum of 1927 (NAD 27). Projection and 10 000-foot ticks: California coordinate system, zone 6 (Lambert conformal conic)
Blue 1000-meter Universal Transverse Mercator ticks, zone 11

North American Datum of 1983 (NAD 83) is shown by dashed corner ticks
The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software

Non-National Forest System lands within the National Forest Inholdings may exist in other National or State reservations

This map is not a legal land line or ownership document. Public lands are subject to change and leasing, and may have access restrictions; check with local offices. Obtain permission before entering private lands

Areas covered by dashed light-blue pattern are subject to controlled inundation
