

Mapped, edited, and published by the Geological Survey
Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial
photographs taken 1965 and planimetric surveys 1968

Polyconic projection. 1927 North American datum
10,000-foot grids based on Illinois coordinate system, west zone,
and Missouri coordinate system, east zone
1000-meter Universal Transverse Mercator grid ticks,
zone 16, shown in blue

To place on the predicted North American Datum 1983,
move the projection lines 3 meters south and
8 meters east as shown by dashed corner ticks

There may be private inholdings within the boundaries of
the National or State reservations shown on this map

Fine red dashed line indicate selected fence and field lines where
generally visible on aerial photographs. This information is unchecked
