Historical File
Topographic Division

A map of the Southeastern United States showing state boundaries. The states labeled are Illinois (ILL), Missouri (MO), Kentucky, Tennessee, Virginia (VA.), North Carolina (N.C.), Mississippi (MISS.), Alabama (ALA.), Georgia (GA.), and South Carolina (S.C.). A dashed line outlines a specific area in Alabama, and a small black square marks a location within this area. Below the map, the text 'QUADRANGLE LOCATION' is printed.
