

Mapped, edited, and published by the Geological Survey  
Control by USGS and NOS/NOAA  
Topography by photogrammetric methods from aerial  
photographs taken 1965. Field checked 1967  
Polyconic projection. 10,000-foot grid ticks based on Nevada  
coordinate system, east zone  
1000-meter Universal Transverse Mercator grid ticks,  
zone 11, shown in blue  
1927 North American Datum  
To place on the predicted North American Datum 1983  
move the projection lines 5 meters north and  
75 meters east as shown by cashed corner ticks  
Red tint indicates areas in which only landmark buildings are shown  
Fine red dashed lines indicate selected fence lines  
A portion of the northeast quarter of this map  
lies within a subsidence area

ROAD CLASSIFICATION

Primary highway, hard surface	Light duty road, hard or improved surface
Secondary highway, hard surface	Unimproved road

Interstate Route U.S. Route State Route
