

Mapped, edited, and published by the Geological Survey  
Control by USGS and USC&GS

Topography by photogrammetric methods from aerial  
photographs taken 1967. Field checked 1969.

Polycyclic projection. 1927 North American datum.  
10,000-foot grid based on Missouri coordinate system, east zone  
1000-meter Universal Transverse Mercator grid ticks,  
zone 15, shown in blue.  
To place on the predicted North American Datum 1983,  
move the projection lines 2 meters south and  
11 meters east as shown by dashed corner ticks.

Fine red dashed lines indicate selected fence and field lines where  
generally visible on aerial photographs. This information is unchecked.

Map photoinspected 1980  
No major culture or drainage changes observed.
