

Mapped, edited, and published by the Geological Survey  
Control by USGS and USC&GS  
Topography from aerial photographs by multiplex methods  
Aerial photographs taken 1949. Field check 1951  
Polyconic projection. 1927 North American datum  
10,000-foot grid based on Missouri coordinate system,  
central zone  
1000-meter Universal Transverse Mercator grid, zone 15  
To place on the predicted North American Datum 1983,  
move the projection lines 2 meters south and  
14 meters east as shown by dashed corner ticks  
Revisions shown in purple compiled from aerial photographs taken 1982 and  
other sources. This information not field checked. Map edited 1985
