

Produced by the United States Geological Survey in cooperation with the Louisiana Department of Transportation and Development

Topography compiled 1964. Planimetry derived from imagery taken 1958 and other sources. Public Land Survey System and survey control current as of 1964.

North American Datum of 1983 (NAD 83). Projection and 1000-meter grid: Universal Transverse Mercator, zone 15 10 000-foot ticks: Louisiana Coordinate System of 1983 (south zone)

North American Datum of 1927 (NAD 27) is shown by dashed corner ticks. The values of the shift between NAD 83 and NAD 27 for 7.5-minute intersections are obtainable from National Geographic Survey NADCON software.

There may be private inholdings within the boundaries of the National or State reservations shown on this map.

This quadrangle covers a subsidence area.

Where omitted, land lines have not been established or are not shown because of insufficient data.

Landmark buildings verified 1964.
