

Maped, edited, and published by the Geological Survey  
Control by USGS, USC&GS, and USCE  
Topography by photogrammetric methods from aerial photographs taken 1961-62 by planetable surveys 1962 and in part by the City of Vicksburg  
Polyconic projection. 1927 North American datum  
10,000-foot grids based on Mississippi coordinate system, west zone and Louisiana coordinate system, north zone  
1000-meter Universal Transverse Mercator grid ticks, zone 15, shown in blue  
Red tint indicates area in which only landmark buildings are shown  
To place on the predicted North American Datum 1983 move the projection lines 13 meters south and 10 meters east as shown by dashed corner ticks  
There may be private inholdings within the boundaries of the National or State reservations shown on this map
