

Mapped, edited, and published by the Geological Survey
Control by USGS, NOS/NOAA, Tennessee Valley Authority,
and International Boundary Commission
Topography by photogrammetric methods from aerial
photographs taken 1961. Field checked 1963
Selected hydrographic data compiled from NOS charts 14 (1963)
and 15 (1962). This information is not intended for
navigational purposes
Polyconic projection. 10,000-foot grid ticks based on New York
coordinate system, east zone. 1000-meter Universal Transverse
Mercator grid ticks, zone 18, shown in blue. 1927 North American
Datum. To place on the predicted North American Datum 1983
move the projection lines 2 meters south and 27 meters west
as shown by dashed corner ticks
Fine red dashed lines indicate selected fence and field lines where
generally visible on aerial photographs. This information is unchecked
There may be private inholdings within the boundaries of
the National or State reservations shown on this map

THIS MAP COMPLIES WITH NATIONAL MAP ACCURACY STANDARDS
