

This topographic map depicts the Williamson area within the Prescott National Forest. The map features a grid with coordinates ranging from 34°37'30" to 34°45' North and 112°30' to 112°33' West. Elevation is shown through contour lines, with major peaks like Table Mountain and Granite Mountain labeled. The map includes numerous roads, such as N. Williams Valley Rd. and W. Center St., and identifies key landmarks like Jerome Canyon, Stringfield Tank, and the Williamson community. The map is oriented with North at the top and includes a scale bar indicating distances in feet.

Imagery.....	NAIP,	2013
