

## This is a detailed topographic map of the Springfield, Missouri area. The map features brown contour lines indicating elevation, with major peaks like Saville Hill and Kiger Hill labeled. A network of blue lines represents water bodies, including Buffalo Creek, Cedar Creek, and Spring Gap Creek. A prominent red line runs diagonally across the map, likely representing a major road or boundary. The map is overlaid with a grid of latitude and longitude coordinates, with labels such as 37°37'30" N and 92°30' E. Various locations are marked, including Oakdale, Spring Valley, and Red Mills. The map also shows smaller features like cemeteries (Miller, Diamond) and bridges (Thomas S. Dixon Bridge). The overall terrain is hilly and forested, with the Jefferson National Forest occupying a significant portion of the upper left.
