

Produced by the United States Geological Survey in cooperation with Pennsylvania Department of Conservation and Natural Resources, Bureau of Topographic and Geologic Survey. Derived from imagery taken 1988 and other sources. Photospectroscopy using imagery taken 1998; no major culture or drainage changes observed. Survey control current as of 1994. Boundaries, other than corporate, revised 1999. North American Datum of 1927 (NAD 27). Projection and 10 000-foot ticks: Pennsylvania coordinate system, south zone (Lambert conformal conic). 1000-meter Universal Transverse Mercator grid, zone 17. North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software. Contours in strip mine areas may not accurately represent present topography. Light brown tint indicates reclaimed strip mine areas. There may be private inholdings within the boundaries of the National or State reservations shown on this map.
