

Maped, edited, and published by the Geological Survey
Control by USGS and USC&GS
Topography from aerial photographs by photogrammetric methods
Aerial photographs taken 1957. Field check 1959
Polyconic projection. 1927 North American datum
10,000-foot grid based on Ohio coordinate system, north zone
1000-meter Universal Transverse Mercator grid ticks,
zone 17, shown in blue
Fine red dashed lines indicate selected fence and field lines where
generally visible on aerial photographs. This information is unchecked
Entire area lies within the Connecticut Western Reserve
Land lines established by private subdivision of the
Connecticut Western Reserve
There may be private inholdings within the boundaries of
the National or State reservations shown on this map

To place on the predicted North American Datum 1983
move the projection lines 2 meters south and
15 meters west as shown by dashed corner ticks
