Produced by the United States Geological Survey

Topography compiled 1960. Planimetry derived from imagery taken 1989. Photoinspected using imagery dated 1994; no major culture or drainage changes observed. Survey control current as of 1992
Boundaries, other than corporate, verified 1997

North American Datum of 1927 (NAD 27). Projection and 1000-meter grid: Universal Transverse Mercator, zone 17
10 000-foot ticks: Ohio coordinate system, north and south zones

North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software

Entire area lies within the United States Military District
Land lines based on the Base Line of the United States Military District

Areas covered by dashed light-blue pattern are subject to controlled inundation to 779 feet
