

Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin. Control by USGS and USC&GS. Topography from aerial photographs by photogrammetric methods. Aerial photographs taken 1953. Field check 1957. Polyconic projection. 1927 North American datum. 10,000-foot grid based on Colorado coordinate system, central zone. 1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue. Dashed land lines indicate approximate locations. Land lines omitted in T. 5 S. and 6 S. - R. 74 W. and in part of T. 6 S. - R. 73 W. because of insufficient data. Unchecked elevations are shown in brown.
