

Mapped, edited, and published by the Geological Survey  
Control by USGS and NOS/NOAA  
Topography by photogrammetric methods from aerial photographs taken 1964. Field checked 1965. Supersedes map dated 1956  
Polyconic projection. 1927 North American datum  
10,000-foot grids based on Colorado coordinate system, north and central zones  
1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue  
Red tint indicates areas in which only landmark buildings are shown  
Fine red dashed lines indicate selected fence lines  
Purple tint indicates extension of urban areas  
Revisions shown in purple compiled from aerial photographs taken 1978 and other source data. This information not field checked. Map edited 1979  
To place on the predicted North American Datum 1983 move the projection lines 5 meters north and 48 meters east as shown by dashed corner ticks
