

Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin. Control by USGS and USC&GS. Culture and drainage in part compiled from aerial photographs taken 1950. Topography by planetable surveys 1956. Polyconic projection. 1927 North American datum. 10,000-foot grid based on Colorado coordinate system, central and north zones. Offsets shown between T_s. 3 and 4 S.-R. 59 W. are based on cultural developments and are not reflected in the original surveys.
