Albert Pike, Division Engineer
Compiled by U. S. Geological Survey from aerial photographs
Control by U. S. Geological Survey and U. S. Coast and Geodetic Survey
Field examination in 1935

Scale $\frac{1}{24,000}$

A horizontal scale bar with a double-line border. It is divided into two main sections. The left section is labeled '5,000' and '10,000 Feet' at the bottom. The right section is labeled '2 Miles' at the top right. The scale is marked with '0' at the left end and '2' at the right end. The text 'Scale $\frac{1}{24,000}$ ' is located at the top left of the bar.

Polyconic projection. 1927 North American datum
