 Topography by photogrammetric methods from aerial photographs taken 1969. Field checked 1970
 Polyconic projection. 1927 North American datum 10,000-foot grid based on Georgia coordinate system, east zone 10,000-meter Universal Transverse Mercator grid ticks, zone 17, shown in blue
 To place on the predicted North American Datum 1983 move the projection lines 15 meters south and 14 meters west as shown by dashed corner ticks
 Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked
 Revisions shown in purple compiled in cooperation with State of Georgia agencies from aerial photographs taken 1981 and other sources. This information not field checked. Map edited 1985
