

30 X 60 MINUTE QUADRANGLE  
SHOWING

- Contours and elevations in meters
- Highways, roads and other manmade structures
- Water features
- Woodland areas
- Geographic names

Produced by the United States Geological Survey in cooperation with North Carolina Department of Natural Resources and Community Development  
Compiled from USGS 1:24 000-scale topographic maps dated 1967-1982. Planimetry revised from aerial photographs taken 1976, 1979 and other source data. Revised information not field checked. Map edited 1984  
Projection and 10,000-meter grid, zone 17: Universal Transverse Mercator  
25 000-foot grid ticks based on North Carolina coordinate system 1927 North American Datum  
To place on the predicted North American Datum 1983 move the projection lines 11 meters south and 21 meters west  
There may be private inholdings within the boundaries of the National or State reservations shown on this map
