

Mapped, edited, and published by the Geological Survey
Control by USGS, NOS/NOAA, and South Carolina Geodetic Survey
Topography by photogrammetric methods from aerial photographs
taken 1956. Field checked 1959

Polyconic projection. 10,000-foot grid based on South Carolina coordinate system, north zone. 1000-meter Universal Transverse Mercator grid ticks, zone 17, shown in blue. 1927 North American Datum To place on the predicted North American Datum 1983 move the projection lines 9 meters south and 11 meters west as shown by dashed corner ticks

Red tint indicates area in which only landmark buildings are shown

Unchecked elevations are shown in brown

There may be private inholdings within the boundaries of the National or State reservations shown on this map

Revisions shown in purple and woodland compiled from
aerial photographs taken 1977 and other source data
This information not field checked. Map edited 1980
