Prepared under the direction of the Chief of Engineers by the Army Map Service (AM), U. S. Army, Washington, D. C. Scale changed, marginal data revised and Universal Transverse Mercator Grid added, 1947. Copied in 1947 from South Carolina, 1:31 680, AMS, Yauhannah, 1944. Original map compiled by photogrammetric methods and planetable surveys by the Army Map Service by USC&GS. Horizontal and vertical control by USC&GS. Aerial photography by USC&GS, 1942. This map complies with the national standard map accuracy requirements.

**LEGEND**  
ROAD DATA 1943

|   |   |                         |
|---|---|-------------------------|
| Hard surface, heavy duty road, more than two lanes wide                       | Loose surface, graded, dry weather road | Intermittent lake       |
| Hard surface, heavy duty road, two lanes wide, Federal route marker           | Trail; Dirt road                        | Intermittent stream     |
| Secondary, hard surface, all weather road, two lanes wide, State route marker | Railroad in street, Carline in street   | Dam                     |
| RAILROADS   | UNDER CONSTRUCTION                      | ABANDONED               |
| Standard gauge  | Single track                            | Single track            |
| Narrow gauge  | Double track                            | Double track            |
| Single track carline  | Double track carline                    | Double track            |
| BOUNDARIES  | Mine                                    | Woods-brushwood         |
