Control by USGS and NOS/NOAA
Topography from aerial photographs by multiplex methods
Aerial photographs taken 1950. Field check 1956
Selected hydrographic data compiled from NOS/NOAA hydrographic surveys
(1956). This information not intended for navigational purposes
Polyconic projection. 1927 North American datum
10,000-foot grid based on Washington coordinate system, south zone
1000-meter Universal Transverse Mercator grid ticks,
zone 10, shown in blue
To place on the predicted North American Datum 1983
move the projection lines 25 meters north and
97 meters east as shown by dashed corner ticks

SCALE 1:24000

1 1000 2000 3000 4000 5000 6000 7000 FEET
