GEOLOGICAL SURVEY

1982

Produced by the United States Geological Survey
Compiled from USGS 1:24 000-scale topographic maps dated 1960-1978. Planimetry revised from aerial photographs taken 1976 and 1981 and other source data. Revised information not field checked. Map edited 1982.

Projection and 10 000-meter grid, zone 17: Universal Transverse Mercator. 25 000-foot grid ticks based on West Virginia coordinate system, north and south zones. 1927 North American Datum. To place on the predicted North American Datum 1983 move the projection line 6 meters south and 17 meters west.

There may be private inholdings within the boundaries of the National or State reservations shown on this map.

Areas covered by dashed light-blue pattern are subject to controlled inundation to 356 meters.
