

Mapped, edited, and published by the Geological Survey

Control by USGS, USC&GS, and USCE

Topography by photogrammetric methods from aerial photographs taken 1967. Field checked 1970

Polyconic projection. 1927 North American datum  
10,000-foot grids based on Arkansas coordinate system, south zone  
and Mississippi coordinate system, west zone  
1000-meter Universal Transverse Mercator grid ticks,  
zone 15, shown in blue

To place on the predicted North American Datum 1983  
move the projection lines 11 meters south and  
11 meters east as shown by dashed corner ticks

There may be private inholdings within the boundaries of  
the National or State reservations shown on this map

Fine red dashed lines indicate selected fence and field lines where  
generally visible on aerial photographs. This information is unchecked

ROAD CLASSIFICATION  
Secondary highway, all weather, Light-duty road, all weather,  
hard surface ————— improved surface  
Unimproved road, fair or dry  
weather —————  
○ State Route
