

Mapped, edited, and published by the Geological Survey  
Control by USGS and USC&GS  
Topography by photogrammetric methods from aerial photographs taken 1972. Field checked 1973  
Supersedes map dated 1957  
Projection and 10,000-foot grid ticks: New York coordinate system, central zone (transverse Mercator)  
1000-meter Universal Transverse Mercator grid ticks, zone 18, shown in blue. 1927 North American datum  
Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked  
Red tint indicates areas in which only landmark buildings are shown

ROAD CLASSIFICATION

|                                 |                                           |
|---------------------------------|-------------------------------------------|
| Primary highway, hard surface   | Light-duty road, hard or improved surface |
| Secondary highway, hard surface | Unimproved road                           |
| Interstate Route                | U. S. Route                               |
|                                 | State Route                               |
