

Mapped, edited, and published by the Geological Survey in cooperation with the Oklahoma Highway Department, Oklahoma Water Resources Board, and Oklahoma State Soil Conservation Board. Control by USGS and NOS/NOAA. Topography by photogrammetric methods from aerial photographs taken 1959. Revised from aerial photographs taken 1981. Field checked 1984. Map edited 1985. Projection and 10,000-foot grid ticks: Oklahoma coordinate system, north zone (Lambert conformal conic). 1000-meter Universal Transverse Mercator grid, zone 14. 1927 North American Datum. To place on the predicted North American Datum 1983, move the projection lines 2 meters south and 31 meters east as shown by dashed corner ticks. There may be private inholdings within the boundaries of the National or State reservations shown on this map. Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked.
