

Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin

Control by USGS and USC&GS

Culture and drainage in part compiled from aerial photographs taken 1940-1941 and 1944

Topography by plane-table methods 1949

Polyconic projection. 1927 North American datum

10,000-foot grid based on North Dakota coordinate system, north zone

1000-meter Universal Transverse Mercator grid, zone 14

To place on the predicted North American Datum 1983, move the projection lines 4 meters north and 30 meters east as shown by dashed corner ticks

There may be private inholdings within the boundaries of the National or State reservations shown on this map
