

Maped, edited, and published by the Geological Survey
Control by USGS, USC&GS, and USCE
Topography from aerial photographs by photogrammetric methods
and by plane-table surveys 1953. Aerial photographs taken 1949
Polyconic projection
10,000-foot grid based on California coordinate system, zone 3
1000-meter Universal Transverse Mercator grid ticks
zone 10, shown in blue. 1927 North American Datum
To place on the predicted North American Datum 1983
move the projection lines 14 meters north and
94 meters east as shown by dashed corner ticks
Where omitted, land lines have not been established
There may be private inholdings within the boundaries
of the National or State reservations shown on this map

Revisions shown in purple and woodland compiled from
aerial photographs taken 1979 and other source data
This information not field checked. Map edited 1980
Purple tint indicates extension of urban areas
