

Mapped, edited, and published by the Geological Survey
Control by USGS and USC&GS
Topography by planetable surveys 1926
Culture and drainage revised from aerial photographs taken 1950
Field check and partial contour revision 1954
Polyconic projection. 1927 North American datum
10,000-foot grid based on California coordinate system, zone 4
1000-meter Universal Transverse Mercator grid ticks,
zone 10, shown in blue
To place on the predicted North American Datum 1983
move the projection lines 8 meters north and
87 meters east as shown by dashed corner ticks
Dotted land lines were established by private surveys
This map lies within a subsidence area
Contouring not corrected to later vertical control adjustments
