Maped, edited, and published by the Geological Survey
Control by USGS and NOS/NOAA
Topography by photogrammetric methods from aerial photographs taken 1952 and by planetable surveys 1953
Polyconic projection. 10,000-foot grids based on California coordinate system, zones 3 and 2. 1000-meter Universal Transverse Mercator grid ticks, zone 10, shown in blue 1927 North American Datum. To place on the predicted North American Datum 1983 move the projection lines 16 meters north and 96 meters east as shown by dashed corner ticks
Red tint indicates areas in which only landmark buildings are shown
Dashed land lines indicate approximate locations
